LEAD PARTNER

 MIRABAUD

Welcome to ZURICH ART WEEKEND 2022, our 5th anniversary edition!

Since 2018, Zurich Art Weekend has adopted a format that focuses on forms of exchange across disciplines and audiences, inviting the public to discover artistic creation and its protagonists from up close whilst fostering critical engagements.

With the institutions, galleries, off-spaces, universities, collections and foundations forming Zurich Art Weekend, we transform the city into an unmissable platform for gatherings, discoveries, and new encounters within the broader contemporary, international art scene.

The enhanced 2022 program is a direct response to the ever-evolving art scene, both from a local and global perspective. By enabling productive synergies and meaningful experiences within and beyond the art world, we contribute to the latest developments and experiential formats that define the field.

Enjoy the city, enjoy the Arts!

Welcome to Mirabaud. Our raison d'être is to serve our clients and help them navigate a complex world while ensuring finance contributes to a better and fairer society for all. We have been doing this for more than 200 years.

Artistic interest and work in the fields of science and technology, especially Artificial Intelligence (AI), has been ongoing for over half a century. Lately, these attempts have generated a lot of attention and turned art into a topic of high interest in science and technology research, as well as development thanks to AI affecting all of human society.

Three tandem presentations and conversations between scientists and artists explore this theme.

GALLERY WEEKEND BEIJING

Since 2019 Gallery Weekend Beijing and ZURICH ART WEEKEND have been engaged in a cultural exchange, under the patronage of Uli Sigg, to deepen the understanding between the two regions and to promote the respective art scenes.

Past joint initiatives have taken the form of panel discussions, exhibitions and art circle tours in both cities, Beijing and Zurich. To adapt to the circumstances, since 2020 the collaboration consists in the joint organization of online and off-line initiatives such as talks, panel discussions and social media campaigns to share knowledge between the two regions.

OUT & ABOUT WITH MONSTER CHETWYND

MONSTER CHETWYND, 1973, is a British Turner Prize–nominated artist, known for reworkings of iconic moments from cultural history in improvised performances. Monster is Bottled mayhem, unbridled enthusiasm, passionate and romantic about local history, excited about nonsense, tenacious, engulfing and positive. Deeply manipulative and thoroughly opportunistic it's a relief to know Monster is hell bent on fun and things that are funny!

WHERE MONSTER GOES...

Sit, walk and swim by **LE CORBUSIER PAVILION & CHINESE GARDEN**. | Go to **CAREDDA** on Josefstrasse and buy Sicilian patisseries wrapped in pink paper. | Take a sunbath at **ZHDK ROOF GARDEN** 7th floor. | Look at the unnecessary ant farm in the **TRANZA SHOP** in Europaallee. You can buy a coffee there from a vending machine for 50 cent and sit on armchairs to watch the strange affair of serious hikers buying equipment. | Stop at **ORELL FÜSSLI** English book shop. | Have a swim at **UNTERER LETTEN**, sip a pepita and head for the **CAFÉ BAR NORDBRÜCKE**. | Continue swimming at **STRANDBAD WOLLISHOFEN**, eat chips and play ping pong. | Go to **KÄFERBERG** woods to walk along allotments and see sheep. | Stare at the mole rats at the **ZOO ZÜRICH** in the elephant house, and at the huge tank for elephants. When you go by tram to the zoo there's a field full of sunflowers (in season) by the end of the line. | Visit the **NORDAMERIKA NATIVE MUSEUM** (NONAM). | Behind **BUCHEGGPLATZ**, enjoy animals and relaxation area. | If you prefer stuffed animals go to the **ZOOLOGICAL MUSEUM** and discover great chunky stones sparkling at you at the nearby **focusTERRA** geological display. | Have a bite at the **BISTRO PARK STADELHOFEN**. | Walk on cobbled streets between cottages behind **SCHAFFHAUSEN**. | Discover **BRUNO WEBER PARK** in Dietikon.
